TOGETHER WE WILL FIND A CURE

JOIN US FOR THE 2nd ANNUAL SFAC GOLF TOURNAMENT

Join us for a great day on the link at Royal Woodbine while helping us Shoot for a Cure for brain and spinal cord injuries. Our day begins with a BBQ lunch, followed by a shotgun start at 12:30 pm. After golf we will host a short cocktail and hors d'oeuvres reception while giving awards and prizes. All proceeds of the tournament will benefit the Shoot for a Cure (SFAC) campaign.

SFAC is a fundraising campaign committed to raise funds, increase awareness and assist in the prevention and cure of neurotrauma injuries (brain and spine). The campaign integrates professional and amateur sports/sporting events, corporate sponsorships and community partnerships, which includes other non-profit and non-governmental organizations. SFAC is an international campaign of StopConcussions and the Canadian/American Spinal Research Organizations, uniting neurotrauma communities around a common cause.
